

football-index.com World Cup 2018 Sweepstake Kit

The 2018 Fifa World Cup is being held in Russia. The first match kicks off on 14th June and the competition runs through to the final on 15th July.

Cut up the team names on page 2 into 32 individual pieces of paper, fold them all and put them into a hat (or other suitable container). We've included the betting odds on the ticket for each country, to give people an indication of how likely they are to win.

Charge as much as you like per entry (or as much as people are willing to pay). We suggest somewhere in the region of £2 - £10 per entry.

Get people in your office, pub or club to pay their entry fee and pick a name from the hat at random. Write down who draws which team, under the name of each country, on sheet 3 (it saves a lot of argument later).

Make sure you sell all of the teams. If you have some left after everyone has brought one, see if anyone wants a 2nd or 3rd country. If you are aware that someone has a gambling problem, do not try to sell them a ticket. 18+. begambleaware.org.

Obviously you're free to split the winnings how you want, but do make sure all the money is paid out in prizes. You may wish to pay all the money to the winner or you may want to split it between the top 2 or 3. Here are some suggested ways you could split the prize money (make sure you make it clear how the money will be split out, before you start selling the tickets).
